Stephanie,

Attached, please find our Mishap OI.

Our Safety Officer, Lt. Col Dunn, provided an overview of Mishap Reporting to our Squadron at last night's meeting and also sent the Mishap Reporting overview to every member of the squadron via email.

Homero,

Here is Bill's email.

"Please review your unit's Mishap Reporting OI with all members of your unit's immediately, seniors and cadets, and then forward a copy of you unit's Safety reporting OI to the COWG/SE and the COWG/DA."

15 members responded to my email last Friday. Including our brief tonight, we have only covered 60% of our members. How do you want to report this?

Pete

All Commanders -

Please review your unit's Mishap Reporting OI with all members of your unit's immediately, seniors and cadets, and then forward a copy of you unit's Safety reporting OI to the COWG/SE and the COWG/DA. I do not want a repeat of the conversation I just had last week with an acting unit commander who thought it was only the unit's SE who took care of these mishaps.

The deadline is 7 September 2015.

Col Aceves
